Summary

Heyy Readers,

Let me just introduce you to our Company !!

We are thriving to be one of the leaders in Digital Services having a global client base and striving to create the firm of the future. We believe that bringing together People, Business & Technology is the way forward. At SOFTICES, we take an innovation-led approach to help clients "imagine and invent" their future and we combine our capabilities to invent, develop, and deliver disruptive innovations for clients, and to scale them faster.

SOFTICES provides a wide array of scalable, flexible, strategic and end to end software development and support services. Our expertise are in customized Mobile and Web solutions, Enterprise Application Management and Infrastructure Management.

Some of the Advantages @Softices:

- 5 Days working
- No Bond system
- Medical Insurance
- Flexible Timings
- Employee first philosophy
- Employee friendly leave policy
- On time salary

And many more...
